****

WORKMANSHIP:

Our work will be completed in the highest workman-like manner with strict conformance to all specifications and comply with existing governing codes and regulations.

****

WARRANTY SERVICE:

1. After installation, a qualified representative will start, test, and provide instructions on the use of equipment.
2. All equipment, material, and labor furnished by us will bear a one year warranty from the date of installation for defects in workmanship and material. The compressor will bear a five year warranty from the manufacturer.
3. Service under this warranty will be provided promptly during normal working hours. Warranty service does not include maintenance, such as filter or fuse replacement.

****

GENERAL CONDITIONS:

1. During installation, we shall take all reasonable precautions to protect persons and avoid damage to property.
2. We will provide the owner with a certificate of insurance of workman's compensation & gen. liability.
3. Title to the equipment will remain in us until all sums due have been paid.
4. Any alteration or deviation from above specification involving extra costs will be executed upon written orders, and will become an extra charge over and above the estimate.
5. It is understood that this proposal sets forth our entire agreement, and it is entered into us as an independent party and not as an agent of the manufacturer.
6. This proposal will become a contract between us if accepted by you and thereafter approved in writing by a duly authorized representative.
